PLAN

6 Steps

☒ 1. Define the problem

☐ 2. Analyze the problem

☐ 3. Generate solutions

☐ 4. Evaluate solutions

☐ 5. Select a solution

☐ 6. Implement the solution

The screenshot shows the 'Add plan' dialog in the 'Digitalu' application. The dialog has a title bar with a close button and the text 'Add plan'. Below the title bar, there are three tabs: 'TO DO', 'Digitalu', and 'Calendar'. The 'Digitalu' tab is selected. The main area of the dialog is a weekly calendar grid. The columns represent the days of the week: Sunday, Monday, Tuesday, Wednesday, Thursday, Friday, and Saturday. The rows represent time slots, starting from 08:00 and ending at 20:00, with 15-minute intervals. The grid is divided into two main sections: a top section with a light blue background and a bottom section with a light gray background. The top section contains the text 'Your Task' in several slots, indicating a recurring task. The bottom section contains the text 'TIME TO DRINK' in several slots, indicating a recurring task. The 'Add plan' button is highlighted in blue at the bottom right of the dialog.

To do

☒ *more work needs to be done, especially on the technical side*

The screenshot shows a Mac OS desktop environment. At the top center is a window titled "Add Plan" with a standard Mac window title bar (red, yellow, and green buttons). Below the window, there is a folder icon labeled "AddPlan" and a document icon labeled "AddPlan.docx". The desktop background is a light gray color.
